

## **PREAMBLE**

The Local Rules of the United States Bankruptcy Court for the Eastern District of Louisiana are the result of a cooperative effort of the district court, the bankruptcy court, and members of the bankruptcy bar of the Eastern District of Louisiana.

At its March 1996 session, the Judicial Conference prescribed a uniform numbering system for bankruptcy local rules that is based on and tracks the relevant provisions of the Federal Rules of Bankruptcy Procedure. Accordingly, the Bankruptcy Local Rules have been renumbered according to their corresponding Federal Rules of Bankruptcy Procedure. The rules may be cited as "LBR \_\_\_\_\_."

The 2004 revisions to these rules do not change requirements already in place at the Bankruptcy Court for the Eastern District of Louisiana. They are designed to: (1) put the electronic filing procedures already in place into local rule form; (2) make changes related to privacy in order to comply with the policy of the Judicial Conference of the United States and amendments to the Federal Rules of Bankruptcy Procedure that became effective on December 1, 2003; and (3) make non-substantive, stylistic changes to the local rules to make them clearer.

To the extent that it may be necessary to modify the electronic filing procedures, the clerk's office may occasionally publish clarifications or variations to these rules.

All pleadings filed after allotment of the case must indicate the section of the court to which the case is assigned.

#### **5005-1(C) ECF Passwords**

An ECF password is necessary to file any document electronically. Attorneys, creditors, and others may receive ECF passwords to file papers electronically as follows:

- (a) ***Attorney Password.*** An attorney password allows an attorney to electronically file all types of documents. Each attorney admitted to practice in this court must be trained on the ECF system before the attorney will be allowed to have a password. Out of state attorneys authorized to practice in this court may receive training by telephone. The court also recognizes training on the ECF system by other bankruptcy courts. An application for an attorney password will be given to attorneys after they have completed training.
- (b) ***Creditor/Limited Use Password.*** Creditors who are not represented by an attorney may obtain a creditor/limited use password, which allows electronic filing of certain types of documents, including proofs of claim, documents related to proofs of claim, applications to withdraw unclaimed funds, notices of appearance, and reaffirmation agreements. Creditors who file more than 10 claims a year or creditors represented by an attorney must file electronically. **All transfers of claims and assignments of claims must be filed electronically.**

- (c) **Obtaining Passwords.** Applications for passwords are available at the court's website: [www.laeb.uscourts.gov](http://www.laeb.uscourts.gov). The completed application form must be submitted to obtain a password. All applications must be mailed or delivered to: "Systems Department, Attn: ECF System Registration" at the bankruptcy court.
- (d) **Notification of Password.** The clerk's office will notify attorneys/creditors of their ECF passwords by U.S. mail unless the attorneys/creditors make other arrangements.
- (e) **Password Serves as Signature.** The filing of a document in the CM/ECF system by an attorney or creditor who uses the assigned identification name and password constitutes a signature for purposes of Bankruptcy Rule 9011.

#### **5005-1(D) Form of Judgments/Orders**

Judgments and orders submitted must (1) be on a separate sheet of paper; (2) have the caption of the case and, where applicable, the name and number of the adversary proceeding; and (3) include the name and description of the motion.

#### **5005-1(E) Electronic Submission of Orders and Judgments**

(a) **E-mail Address.** Under the ECF system, orders must be submitted to the court in a word-processing format. Orders should generally be submitted to:

orders for Section A - [SectionAOrders@laeb.uscourts.gov](mailto:SectionAOrders@laeb.uscourts.gov)

orders for Section B - [SectionBOrders@laeb.uscourts.gov](mailto:SectionBOrders@laeb.uscourts.gov)

It is not necessary to include a signature block for the judge's signature; the court will supply the signature block.

In rare circumstances involving orders that are signed or processed by the clerk, such as:

1. writs of fieri facias;
2. orders related to applications for costs that are decided by the clerk (*See* LBR 7054-1);

3. *ex parte* orders submitted by Chapter 7 trustees related to an intent to disclaim/abandon property; and
4. orders for allocation of bond premiums,

the orders should be submitted to:

[orders\\_clerk@laeb.uscourts.gov](mailto:orders_clerk@laeb.uscourts.gov)

**(b) *Subject Line of the E-mail.*** The subject line of the e-mail must correspond to the type of order requested as follows:

1. *Ex Parte Orders.* Orders submitted with motions seeking *ex parte* relief must begin the subject line of the e-mail with the word *Ex Parte* followed by a space and then the seven digit case number or the six digit adversary number. This should be followed by a space and the chapter number. For example: *Ex Parte* 03-12345 ch 13 for matters in cases; *Ex Parte* 03-1234 ch 13 for matters in adversary proceedings.
2. *Expedited Orders.* Orders submitted for expedited relief must begin the subject line of the e-mail with the word Expedited followed by a space and then the seven digit case number or six digit adversary proceeding number. This should be followed by a space and the chapter number. For example: Expedited 03-12345 ch 13 for matters in cases; and Expedited 03-1234 ch 13 for matters in adversary proceedings.
3. *Matters Noticed for Hearing.* Orders submitted for matters noticed for hearing must begin the subject line of the e-mail with the date of the hearing, set forth numerically: mm/dd/yy. Two numbers are required for each component of the date. After a space the numerical date must be followed by the seven digit case or six digit adversary number followed by another space and the chapter number. For example: 01/09/03 03-12345 ch 13 for matters in cases; 01/09/03 03-1234 ch 13 for matters in adversary proceedings.
4. *Orders Signed or Processed by the Clerk.* Orders that are signed or processed by the clerk must contain the case number and the judge's name. For example: 03-12345 J. Brahney.

#### **5005-1(F) Privacy**

**(a) *Personal Identifiers.*** Except as required by Bankruptcy Rules 1005, 1007(f), and 2002(a)(1) and unless ordered by the court, parties are to refrain from including, or are to partially redact

when inclusion is necessary, the following personal data identifiers from papers filed with the court, including any exhibits thereto:

1. *Social Security Numbers.* If an individual's social security number must be included in a pleading, only the last four digits of the number should be used.
2. *Names of Minor Children.* If the involvement of a minor child must be mentioned, only the initials of the child should be used.
3. *Dates of Birth.* If an individual's date of birth must be included in a pleading, only the year should be used.

**(b) Responsibility.** The responsibility for redacting personal identifiers rests solely with counsel and the parties. The clerk will not review each pleading or other paper for compliance with this rule.

### **RULE 5005-3 - FILING PAPERS — SIZE OF PAPERS**

#### **5005-3 Size of Papers**

All papers to be filed in this court must be electronically sized to 8-1/2 by 11 inches, plainly written or printed without defacing erasures or interlineations, and must be double spaced, except that quotations and footnotes may be single spaced. To the extent possible, attachments to papers must likewise be electronically sized to 8-1/2 by 11 inches.

All motions, applications, memoranda, and judgments/orders must be typed or written in a size format that is sufficient to read without difficulty. The clerk or the court will reject any papers that do not comply.

### **RULE 5070-1 - CALENDARS AND SCHEDULING**

#### **5070-1 Cases to Be Tried on Date Assigned— Exceptions**

All cases will be tried on the date set unless continued by order of the court.

## **RULE 5071-1 - CONTINUANCE**

### **5071-1(A) Absence of Material Witness**

Every motion for a continuance based on the absence of a material witness must be accompanied by an affidavit that sets forth the efforts made to procure attendance and the facts expected to be proved by the witness. If the proposed testimony is set forth and it is admitted by the opposite party that the witness, if called, would testify as set forth in the affidavit, the court may, in its discretion, deny the motion.

### **5071-1(B) Motions to Continue Trials**

(a) ***Motion.*** Trial continuances must be sought by written motion and may be granted without a hearing. Because all trials in adversary proceedings are fixed only on an agreed date, motions to continue trials are discouraged and will only be granted when compelling reasons are shown.

(b) ***Contact with Opposing Parties or Parties in Interest.*** The motion must state whether opposing counsel and parties entitled to notice do or do not have an objection or, if such opposing parties have not been contacted, the reasons why contact has not been made. Because the court may deny the motion or continue the matter to a different date than that proposed, the parties should not assume that a motion to continue will be granted.

## **RULE 5072-1 - COURTROOM DECORUM**

### **5072-1(A) Announcement of Representation**

Upon first addressing the court at a trial or hearing, counsel must announce his/her name and the name of the party or parties he/she represents.

### **5072-1(B) One Counsel to Examine Witness and Present Objections**

Except with leave of court, only one counsel for each separate interest may conduct the examination of any one witness or present argument or urge objections with respect to the testimony of that witness.

### **5072-1(C) Offer and Marking of Exhibits**

Before referring to or using or offering in evidence any exhibit (whether book, paper, document, model, diagram, or any other type of exhibit), counsel must first mark it for identification.

## **RULE 5073-1 - PHOTOGRAPHY, RECORDING DEVICES, AND BROADCASTING**

### **5073-1(A) Cameras in the Courtroom**

The taking of photographs in the courtroom or its environs or radio or television broadcasting from the courtroom or its environs during the progress of or in connection with judicial proceedings, whether or not court is actually in session, is prohibited.

As used in these rules, the term "environs" means any place within any United States Courthouse wherein these rules apply and any public place immediately adjacent thereto.

### **5073-1(B) Cameras and Electronic Equipment**

Unless authorized by the court, no camera, recording equipment, or other type of electrical or electronic device will be brought into the premises. No person may bring or attempt to bring any type of camera, recording equipment, or other type of electrical or electronic device into the premises without court permission.

## **RULE 5080-1 - FEES – GENERAL**

### **5080-1 Payment of Fees**

**(a) *Time of Payment.*** Filing fees for pleadings filed at the clerk's office require immediate payment. Filing fees for pleadings filed electronically from a location other than the clerk's office must be paid within two business days.

**(b) *Form of Payment.***

1. *Generally.* The clerk's office accepts payment by cash and money order, and by check and credit card as set forth below.
2. *Checks.* Checks must be made payable to **CLERK, U.S. BANKRUPTCY COURT.**

The clerk's office does not accept the check of a debtor in a Chapter 7 proceeding. A debtor's check may be accepted in a Chapter 11 and 13 proceeding provided that the debtor is represented by an attorney and that the attorney is not involved in a bankruptcy proceeding of his/her own.

The clerk does not accept third-party checks.

3. *Credit Cards.* The clerk does not accept credit cards from debtors.

For automatic electronic payment of fees by credit card by an attorney, a credit card authorization form (available at the court's website: [www.laeb.uscourts.gov](http://www.laeb.uscourts.gov)) must be on file with the financial administrator of the clerk's office.

4. *Debit Cards.* The clerk does not accept debit cards from anyone.

**(c) *Untimely Payment.*** Failure to pay timely the filing fee or other fees may result in the pleading being stricken *sua sponte*, the dismissal of the case *sua sponte*, and the loss of ECF privileges.

### **RULE 7004-1 - SERVICE OF PROCESS**

#### **7004-1 Summons**

The plaintiff or third-party plaintiff must notify the clerk's office of the parties to whom a summons must be issued. The clerk's office will issue the summons. The plaintiff or third-party plaintiff or his/her counsel is responsible for serving the summons and complaint.

### **RULE 7007-1 - MOTION PRACTICE**

#### **7007-1 Motion for Extension of Time to Plead**

Upon certification by a moving party that there has been no previous extension of time to plead and that the opposing party has not filed an objection to an extension of time, then by an *ex parte* motion and order, the court will allow one extension for a period of 20 days from the time the pleading would otherwise be due. Further extensions will not be granted by stipulation, but only by application to the court and for good cause shown.

### **RULE 7016-1 - PRETRIAL PROCEDURES**

#### **7016-1 Answers/Pretrial Conferences**

When all answers have been filed, a pretrial conference will be set within the time limits set forth and for all purposes set out in Bankruptcy Rule 7016. This will be the only pretrial conference held unless the court orders a final pretrial conference.

### **RULE 7023-1 - CLASS ACTION**

No motion relative to discovery, including motions for protective orders, may be filed unless accompanied by a certificate of counsel for the moving party stating that counsel have conferred in person or by telephone in a good faith effort to resolve amicably the issues without court intervention or stating that opposing counsel has refused to so confer after reasonable notice. Counsel for the moving party must arrange the conference. If the court finds that opposing counsel has willfully refused to meet and confer, or, having met, willfully refused or failed to confer in good faith, the court may impose such sanctions as it deems proper.

### **7026-1(B) Disclosure under Bankruptcy Rule 7026**

The scope and timing of disclosures under Bankruptcy Rule 7026 adopting FRCvP 26(a)(2) and FRCvP 26(a)(3) will be as directed by the court in the minute entry or order issued after the pretrial conference.

### **7026-1(C) Meeting of Parties under Bankruptcy Rule 7026**

(a) Except as otherwise ordered in a particular case, the conference between the parties required by Bankruptcy Rule 7026 adopting FRCvP 26(f) must be held no later than seven working days before the scheduled pretrial conference.

(b) Except as otherwise ordered in a particular case or as provided in this rule, the parties are excused from submitting a written report outlining the proposed discovery plan and must report orally on their proposed discovery plan at the Rule 16(b) conference in accordance with Bankruptcy Rule 7016 adopting FRCvP 16(b). An oral report on the proposed discovery plan is not authorized when, during the Rule 26(f) conference, a party objects that the initial disclosures required by Rule 26(a)(1) are not appropriate in the circumstances of the action. In such a case, no later than three

working days prior to the scheduled preliminary conference, the parties must file a written report outlining the proposed discovery plan, including the nature of the objection(s) to the initial disclosure and statements by the parties detailing their positions on the objection(s) to the initial disclosure.

Any party desiring to serve more than the 25 interrogatories permitted by Bankruptcy Rule 7033 adopting FRCvP33(a) must file a written motion setting forth the proposed additional interrogatories and the reasons establishing good cause for their use. Leave to serve additional interrogatories will be granted to the extent consistent with the principles of FRCvP 26(b)(2).

#### **7033-1(B) Objections to Interrogatories**

Objections to interrogatories, and objections to the answers thereto, must set forth in full, immediately preceding each answer or objection, the interrogatory or answer to which objection is being made.

### **RULE 7036-1 - REQUESTS FOR ADMISSION**

#### **7036-1 Objections to Requests for Admission**

Objections to requests for admission, and objections to the responses thereto, must set forth in full, immediately preceding each response or objection, the request or response to which objection is being made.

### **RULE 7041-1 - DISMISSAL OF ADVERSARY PROCEEDINGS**

#### **7041-1(A) Dismissal for Failure to Prosecute**

In adversary proceedings, if no responsive pleadings or motion for entry of default have been filed within 60 days after issuance of the summons, an order to show cause will be issued to counsel

for the plaintiff(s) to show why the adversary proceeding should not be dismissed for lack of prosecution. The order setting the date and time for the scheduled show cause hearing will be served on counsel for plaintiff(s), allowing at least a 20 day notice.

Unless good cause is shown prior to or at the scheduled hearing, the adversary proceeding will be dismissed.

#### **7054-1(B) Hearings**

The party applying for taxation of costs must notice the matter for hearing before the clerk.

## **RULE 7056-1 - SUMMARY JUDGMENT**

### **7056-1(A) Motions for Summary Judgment**

Every motion for summary judgment must be accompanied by a separate, short and concise statement of the material facts as to which the moving party contends there is no genuine issue to be tried. The statement should **not** repeat the pleadings, or contain argument or conclusions. All material facts in the statement will be deemed admitted for purposes of the motion unless controverted under the following rule.

### **7056-1(B) Oppositions to Summary Judgment**

The opposition to a motion for summary judgment must include a separate, short and concise statement of the material facts as to which there exists a genuine issue to be tried.

## **RULE 7062-1 - STAY OF PROCEEDINGS TO ENFORCE A JUDGMENT**

### **7062-1 Supersedeas Bonds**

A supersedeas bond staying execution of a money judgment must be in the amount of the judgment plus 20% of the amount to cover interest, costs, and any award of damages for delay, unless the court directs otherwise.

## **RULE 7067-1 - REGISTRY FUND**

### **7067-1(A) Receipt and Deposit of Registry Funds**

Funds received in the registry of the court will be deposited with the court's designated depository into an interest bearing account at ordinary passbook rates.

If the principal sum deposited is at least \$10,000, the court may, upon motion of an interested party, instruct the clerk to withdraw all or a portion of the funds deposited and to reinvest the funds in some form of interest bearing account for a higher return of interest.

### **7067-1(B) Form of Order**

A proposed order to invest registry funds must include the following:

- (a) the amount to be invested;
- (b) the type of investment;
- (c) that it will be made at the prevailing rate of interest;
- (d) the name of the institution, if other than the court's designated depository; and
- (e) the length of time the funds are to be invested and whether the investment is to be automatically rolled over at maturity.

The order must be consented to by all parties who might ultimately be determined to be entitled to the funds.

All proposed orders pertaining to the investment of registry funds must be first presented to the clerk to assure that the proposed orders comply with the United States Treasury regulations governing deposit of registry funds. No order may be presented to a judge of this court without the clerk's certificate of compliance.

All signed orders involving registry funds must be provided to the financial deputy clerk. In addition, the failure to deliver signed orders to the financial deputy clerk relieves the clerk of any personal liability relative to compliance with the orders.

Unless otherwise specifically provided by order of the court, the ultimate beneficiary(ies) of any appreciation resulting from investing in interest bearing accounts will be the person(s) ultimately found to be entitled to receive the principal.

### **7067-1(C) Motions to Disburse Registry Funds**

Funds will be disbursed from the registry of the court only upon order of the court.

A motion for disbursement of registry funds must be submitted to the financial deputy clerk for certification of the principal amount of the funds held in the registry in a particular case before the motion is presented to the judge.

Each motion must be accompanied by a proposed order that contains substantially the following language: "The Clerk of Court is authorized and directed to draw a check(s) on the funds on deposit in the registry of the court in the principal amount of \$\_\_\_\_\_, plus all interest earned, less the assessment fee for the administration of funds (*or state other instruction regarding interest*), payable to (*name and address of payee*), and to mail or deliver the check(s) to (*payee or attorney*) at (*full address with zip code*)."

#### **7067-1(D) Disbursement of Registry Funds**

On all checks drawn by the clerk on registry funds, the name of the payee must be written as that name appears in the court's order providing for disbursement. Counsel must also provide the Social Security number or Tax I.D. number for each payee and complete mailing or delivery instructions for each payee. The Social Security number must be submitted to the financial deputy clerk, and should not be filed into the record.

Unless otherwise ordered, the clerk will issue disbursements as soon after receipt of the order as the regular business practices of the clerk's office permits, but not before the 10 day appeal period has run. It is the responsibility of the moving party to verify that the funds have been paid within a reasonable time.

## **PART VIII - APPEALS TO DISTRICT COURT**

### **RULE 8001-1 - APPEALS**

#### **8001-1 Motions Seeking Relief from a District Judge**

3. *Duties of the Clerk of the Bankruptcy Court.* Upon the filing of an original motion, the clerk of the bankruptcy court will promptly transmit to the clerk of the district court:
  - a. the original motion and all attachments to the motion; and
  - b. the portion of the bankruptcy court record designated in accordance with Subsection (2)(b) above.

4. *Subsequent Filings.* Any filing made after the original motion must be filed with the clerk of the district court and must comply with all rules of the district court.
- (b) *No Automatic Stay.* No automatic stay of the bankruptcy court proceedings will occur as a result of the filing of any motion under this rule. Any stay of proceedings will result only from an order of the bankruptcy court or the district court.
- (c) *Obligation of the Parties.* It is the obligation of each and every party and his/her attorney to apprise the bankruptcy court and the district court of orders entered in either forum that significantly affect matters pending in the other forum.

#### **RULE 8007-1 - TRANSMISSION OF RECORD – APPEAL**

##### **8007-1 Record Transmitted to the District Court**

The authority to retain any portion of the record on appeal or in connection with a motion seeking relief from a district judge is delegated to the clerk of the bankruptcy court.

## **PART IX - GENERAL PROVISIONS**

### **RULE 9011-1 - ATTORNEYS – DUTIES**

#### **9011-1 Signing of Pleadings, Motions, and Other Papers**

Every pleading, motion, or other paper prepared by an attorney for filing must, in accordance with the Bankruptcy Rules, be signed personally by counsel in his/her individual name. In addition, counsel's name, mailing **and** street addresses, telephone number, and attorney identification number must be typed or printed under the signature. If the attorney is admitted to the bar by the Supreme Court of Louisiana, the attorney identification number is the same as the number assigned by the Supreme Court of Louisiana. Otherwise, the attorney should list the identification number of the state where the attorney is admitted to practice.

Documents filed by a party not represented by counsel must be signed by the party. The party's name, mailing **and** street addresses, and telephone number must be typed or clearly printed.

Each attorney and *pro se* litigant has a continuing obligation to apprise the court of any change of address or telephone number until the case is closed.

### **RULE 9011-4 - SIGNATURES**

#### **9011-4 Signature on Documents; Retention of Original Documents**

**(a) *Signature on Documents.*** Documents requiring the signature of the debtor(s), such as petitions, lists, schedules, statements, etc., must be filed electronically and must indicate a signature (*e.g.*, “/s/ John Doe”).

Amendments, pleadings, affidavits, and other documents that contain original signatures or that require verification under Bankruptcy Rule 1008 or an unsworn declaration as provided in 28 U.S.C. § 1746 must be filed electronically and must indicate a signature (*e.g.*, “/s/ John Doe”).

**(b) *Retaining Original Documents.*** The original signed document must be retained by the attorney of record or the party originating the document for a period of not less than one year after the case is closed. Upon request, the original document must be provided to other parties or the court for review.

## **RULE 9013-1 - MOTION PRACTICE**

### **9013-1(A) Motion Day**

Each judge may designate a specific day as motion day that will be the day on which that judge holds hearings on all motions, applications, and other forms of routine relief, except disclosure statements, plan confirmations, and motions requiring oral testimony expected to last more than one hour. All motions and applications must be set and noticed for hearing on motion day, unless a special hearing date is fixed by separate court order. Before scheduling a motion or application for hearing on a motion day, counsel should confirm with the office of the clerk that hearings will be held on that day.

Generally, oral argument will only be held when an objection to a motion is filed. However, even if no written objection is filed, an appearance may be necessary for certain types of motions as designated by the judge of each section.

### **9013-1(B) Setting Motions for Hearing**

**(a) *Motions in Writing.*** All motions (except those made during a hearing or trial), applications, and requests for an order from the court must be made in writing and must be filed with the clerk. Motions will not be accepted by telephone or facsimile.

**(b) *Twenty-Day Notice.*** A party filing a motion must, at the time of filing, set the motion for hearing no earlier than the first motion day that is at least 20 days after the motion is noticed for hearing, except as otherwise specifically provided by the Bankruptcy Rules, ordered by the court,

or agreed to by all parties entitled to notice. In case of a motion under Section 362(d) of the Bankruptcy Code, if there is no motion day more than 20 days after notice, but less than 30 days after filing, the hearing will be set on the last motion day that is not more than 30 days after the motion is filed.

**(c) *Notice of Hearing.*** Either prior to or contemporaneously with the filing of a motion, movant must serve a copy of the motion and notice of the hearing on opposing counsel/parties, as well as any other parties required by the Bankruptcy Rules.

**(d) *Notices to Creditors.*** If a notice to all creditors is required by the Bankruptcy Rules, it must set forth: (1) the title of the motion or other form of relief requested; (2) the name of the movant; (3) the name, address, and telephone number of counsel for movant; (4) the relief requested by the movant, concisely described; (5) the date, time, and place of the hearing; and (6) that any party opposing the motion or other relief requested must file a written objection or response with the clerk no later than eight calendar days **prior** to the scheduled hearing and must serve the attorney for the movant by that date. If an opposition or response is not timely filed and served as set forth below, the court may grant the relief requested without hearing.

**(e) *Matters Not Heard on Motion Day.*** Disclosure statements, Chapter 11 plan confirmations, and motions requiring oral testimony expected to last more than one hour must be specially set on a day other than the regular motion day. An order to set for hearing leaving the date and time blank must be filed with all such motions.

**(f) *Motions for Expedited Hearing.*** Motions for expedited hearing are discouraged. In those rare cases when an expedited hearing is necessary, counsel for movant must file a motion requesting an earlier date and stating that opposing counsel or parties otherwise entitled to notice have consented to the motion. If agreement of opposing counsel or such parties cannot be obtained,

counsel may file an *ex parte* motion for expedited hearing with reasons setting forth the need for an expedited hearing and a statement that opposing counsel or parties otherwise entitled to notice have been contacted and refuse to consent to the expedited hearing and the reasons for the refusal, if known, or the reasons why such contact is impractical. Counsel who file an *ex parte* motion for expedited hearing must serve that motion on all parties in interest on the date of filing. *See also* LBR 5005-1(A)(b).

### **9013-1(C) Calendar**

The clerk will prepare and post a calendar listing the matters to be heard on each motion day. Motions will generally be heard in the following order: (1) motions that are unopposed or by consent; (2) motions to lift stay; and (3) other motions and applications.

Motions that require witness testimony will be heard last. If witness testimony will be offered on a motion set on the regular motion day, it is counsel's responsibility to notify the court by noon on the Monday preceding the motion day.

### **9013-1(D) *Ex Parte* or Consent Motions**

A motion, allowed by applicable law to be submitted *ex parte* or by consent, need not be noticed for hearing as described above, but must instead be accompanied by a proposed order. Except as otherwise ordered, every such motion or application must be submitted to the court through the clerk and must state that counsel for all parties with standing to oppose have consented to the motion. If good cause is shown in the motion, no hearing is required on the following motions, unless otherwise directed by the court: (1) for extension of time; (2) to continue a pretrial conference or hearing; (3) to amend pleadings; (4) to file supplemental pleadings; (5) to intervene; (6) to appoint or withdraw as counsel; and (7) to appoint other professionals.

### **9013-1(E) Motions to Intervene, Amend Pleadings, or File Third-Party Complaints**

Prior to filing any motion for leave to intervene, to amend pleadings, or to file a third-party complaint, the moving party must attempt to obtain consent for the filing and granting of such motion from all parties having an interest to oppose. If consent is obtained, the motion need not be noticed for hearing, but should be filed, accompanied by a proposed order, with a statement of the consent of opposing counsel. No such motions, when required to be noticed for hearing, will be accepted for filing unless accompanied by a certificate of counsel for the moving party to the effect that opposing counsel have refused to consent to the filing and granting of such motion. If the court finds that opposing counsel does not have a good faith reason for refusing to consent, the court may impose such sanctions as it deems proper.

## **RULE 9013-2 - BRIEFS AND MEMORANDA OF LAW**

### **9013-2(A) Memoranda Supporting Motions**

The moving party must submit authorities in support of a motion, which may be either incorporated in the motion or set forth in a separate memorandum served on opposing counsel and filed contemporaneously with the motion.

### **9013-2(B) Objections and Response/Opposition Memoranda**

Each party opposing a motion must file its reasons for opposing the motion no later than eight calendar days prior to the noticed hearing date and must at the same time serve a copy on the opposing parties.

A copy of the opposition must be served on opposing counsel in the same fashion and at the same time as filed with the court.

If a reply memorandum is filed by the movant, it must be filed and chambers must be notified no later than 24 hours before the hearing. No further memoranda may be filed except with leave of court.

### **RULE 9013-3 - CERTIFICATE OF SERVICE – MOTIONS**

#### **9013-3 Certificate of Service**

A certificate of service of a motion and the notice of hearing must be filed with the motion. The certificate must include the names and addresses of the parties served, the date of service of the notice and the motion, and any other papers required to be served. A certificate stating that service has been effected on "all interested parties" or "all parties of record" or any other such general designation is **insufficient**.

### **RULE 9015-1 - JURY TRIALS**

#### **9015-1 Jury Trials**

Jury trials are not held in this court.

### **RULE 9016-1 - SUBPOENAS**

#### **9016-1(A) Witness Fees and Mileage**

The person issuing a subpoena for a witness must tender to the witness, at the time of service of the subpoena upon the witness, one day's attendance fee and the legal amount for mileage to and from the place of trial or hearing, as set forth in 28 U.S.C. § 1821, and must also pay concurrently to any such witness the daily attendance fee for each day he/she is required to attend the trial or hearing. No witness will be liable to attachment for not obeying the subpoena if this rule has not been complied with. This rule does not apply to witnesses for the United States.

### **9016-1(B) Notification of Witnesses**

It is the duty of counsel who has issued a subpoena to notify the person subpoenaed if his/her attendance will not be required in time to prevent the witness from making a needless trip. Counsel failing to comply with this rule may be subject to appropriate sanctions.

## **RULE 9019-1 - SETTLEMENTS AND AGREED ORDERS**

### **9019-1(A) Responsibility for Settlement Discussions**

As officers of the court, counsel have a responsibility to conduct serious settlement discussions in time to avoid unnecessary expense and the waste of time by attorneys, witnesses, and the court.

### **9019-1(B) Notice of Settlement**

When a case is settled or otherwise disposed of, counsel must immediately notify the court and all persons subpoenaed as witnesses. If the settlement is not a full settlement as to all parties and all claims, counsel must also notify the court as to the remaining parties and unsettled claims.

## **RULE 9019-2 - ALTERNATIVE DISPUTE RESOLUTION**

### **9019-2 Alternative Dispute Resolution ("ADR")**

If the court determines at any time that the case will benefit from alternative dispute resolution, the court:

- (a) has discretion to refer the case to private mediation, if the parties consent, even if such mediation efforts upset previously set trial or other dates;
- (b) has discretion to request the chief judge of the district court to order nonbinding mini-trial or nonbinding summary jury trial before any **judicial officer** of the district with or without the parties' consent; or
- (c) may employ other ADR programs that may be designated for use in this district by the district court.

## **RULE 9025-1 - SECURITY: PROCEEDINGS AGAINST SURETIES**

### **9025-1(A) Bonds**

Every bond furnished in this court must have as surety either: (1) a cash deposit equal to the amount of the bond; (2) an obligation of the United States Government; or (3) a corporation authorized by the Secretary of the Treasury of the United States to act as surety on official bonds, pursuant to 31 U.S.C. §§ 9303-9309, except that a bond for costs may instead have as surety an individual resident of the district who satisfies the clerk that he/she owns real or personal property within the district sufficient to justify the full amount of the suretyship.

Only by stipulation of the parties or by order of the court may some other form of surety be permitted.

### **9025-1(B) Court Officers Not to Be Sureties**

No clerk, marshal, member of the bar, or other officer of this court will be accepted as surety on any bond or undertaking in any action or proceeding in this court.

## **RULE 9070-1 - EXHIBITS**

### **9070-1(A) Exhibits Attached to Pleadings**

All exhibits and other attachments capable of being electronically imaged should be scanned, except in those instances where the exhibit or attachment is more than 20 pages. Those over 20 pages must be identified by title and a brief description, and only the relevant portions should be electronically imaged and filed using Portable Document Format ("PDF"). Upon request, the complete original document must be provided to other parties or the court for review.

Only those exhibits attached to pleadings that are not capable of being electronically imaged (*i.e.*, "scanned") may be filed in hard copy with a notice of electronic filing to indicate the referenced document.

## **9070-1(B) Exhibits at Trials or Hearings**

**(a) *Custody.*** Exhibits offered into evidence must be submitted in hard copy. All exhibits admitted into evidence will be placed in the custody of the clerk, unless otherwise ordered by the court.

**(b) *Disposition.*** All exhibits in the custody of the clerk must be removed within 30 days of the final disposition of the case or adversary proceeding. The party offering exhibits is responsible for their removal and must give a detailed receipt for the clerk's records. If the parties or their attorneys fail or refuse to remove exhibits within 30 days, the exhibits may be destroyed or otherwise disposed of by the clerk.
